Letter No G1 No 473-30 dated the 24th February 1930, from the President, Town Municipal Council, Arsikere, to the Deputy Commissioner, Hassan District

---

With reference to your memo No C 1486-29 dated 14-11-29, calling for a report on the progress made in the several improvements works as suggested by the Executive Engineer Sanitary and Town Planning Division I beg to state as follows -

(1) Planting in the Sandy Ground -

As summer season has already begun it is difficult to plant the trees andwater them Special attention will be given for rearing plants in the Shandi ground during ungar rains

(2) Improvement of Kallanakatte -

Works as suggested by the Sanitary Engineer have been started

(3) Bringing the drain level 3 to 6" below road level by pitching stones

This has been done in respect of Mosque Street and by the side of Main Drain No 1

(4) Construction of Circle -

This has been abandoned for the present

(5) Maintenance of special coolies for levelling the ground

Uneven ground is being levelled up by means of special coolies Many of the ditches in the heart of the town have now been filled up

(6) Out fall -

Records connected with the acquisition of lands required for putting up pipe line and the estimate of the works have beensubmitted for obtaining sanction of Government
